

## IST - International Service Team

Dear Friends,

As everybody knows, volunteers have a very important role during international events. They can offer not only their service but also their skills and their enthusiasm. They will have a special position but they will have to follow the same camp rules as the other participants. They will live the Community in particular moments we have foreseen for them, most of all before the arrival of the teams. They will have a lot of tasks to accomplish but we will try to guarantee half a day free for every IST member to let him/her participate in the activities. Important requirements for IST members (250/300 people) will certainly be professionalism and competence, however we also expect from them the willingness to participate with a cooperative spirit, which is a distinctive mark of the Guide and Scout movements worldwide.

We have grouped assignments in different areas

## Registration

The registration rules are the same as those foreseen for the other participants, because rendering a service is just a different way of living the same event. IST registrations will be officially accepted only after the validation of their Association.

Registration as individuals is only allowed to participants who are at least 23 years old. Participants who are between 16 and 22 years old will be able to enrol only if they are organised in teams (at least five people) and accompanied by a Leader or team Speaker. ([see below](#)) Those who are at least 20 years old and who are not able to form their own Team can contact Roverway secretariats, which will arrange to add them to an already enrolled Team.

The period of service spans from August, 6th to August, 16th and takes place in Loppiano. IST are required to bring with them their own tent. Tents will be placed in a suitable area – the "IST" subcamp

The fee will be 230,00 Euro, to be paid in one instalment by each IST member/team to their Association. The fee will cover meals from the dinner of the 6th to the lunch of the 16th august (provided by the Loppiano Community or by the the camp-site facilities). It will also cover the accommodation, the cost of structure and activities at the fixed camp in Loppiano and personal insurance.

The fee does not include the arrival/return travel expenses to/from Loppiano

"Dare to Share" is Roverway "motto" not only for those who will attend this event as participants but also for those who will dare to share their own time and their own energy to be ready to volunteer for this big event.

Looking forward to meeting you at Roverway  
Yours in Guiding and Scouting
