

## REGISTRATION RULES

### Age of participants

Roverway is a joint event offered by WAGGGS and WOSM Europe to young people from 16 to 22.

### Team

Participants will be able to enrol only if they are organised in teams composed by a minimum of 5 persons to a maximum of 15 persons; each team is set according its NSO reality. After the enrolment, the teams will be grouped in Communities, made up of about 50 people.

Participation as individuals is not allowed.

Every team must have a person in charge, which must be of age (> 18 years old).

A team will be considered self-sufficient only if:

- it is accompanied by an adult Leader of age (> 18 years old), called **Team Leader**. As **Team Leader** is intended the scout/rover/guide Leader when foreseen by the association.
- all its members are of age and they will have to appoint their **Team Speaker**. As **Team Speaker** is intended the person of age who will be in charge of the team.

In any case, the Team Leader/Team Speaker (included in the total number of 5 to 15 participants) is appointed to refer to the COMMUNITY LEADER for the normal conduct of Community (logistics, activities' scheduling, educational issues).

### Fees and deadlines for payment

The fee for Roverway 2006 will depend on national Gross Domestic Product (GDP class)

The fee INCLUDES:

- Meals and Accommodation from the supper of 6th, August to the breakfast of 14th, August;
- Transportation from gathering points to the departure of the Routes;
- Transportation from the conclusion of the Routes to the campsite (Loppiano);
- Roverway scarf and Camp Book;
- All the activities in the programme.

The fee DOES NOT INCLUDE:

- Transportation from the place of origin to the gathering points;
- Transportation from the Campsite (Loppiano) to the place of origin.

The registration will end in January, 1st 2006.

When registering, participants will pay a deposit; later (within April, 1st 2006) they'll pay the sum of 200,00 € in settlement.

Fees will be paid through the National Scout Organizations by bank transfer.

### First instalment, renunciations and participants substitution

The first instalment is NOT repayable. It is possible, anyway, to replace the members of a team, provided that the total amount of team members does not change.

As instance: if John gives up, Jane could take his place. The overall number of team members MUST remain unchanged.

### Addition of participants

Before **December 31st** it is possible to add participants.

Anyone who will register after November 1st will pay the whole fee (no discount, also if the team has enrolled before November 1st).

After **January 1st** the addition of participants will be possible only subject to prior notice and authorization, provided that the Community composition allows the addition.

As instance: if a team wants to add 3 members and the overall amount of Community members is too high (> 50), the addition in that Community will not be possible.

It will be possible, anyway, to enrol as a new team, provided that the minimum number of members is 5 and that the overall amount of Roverway participants is less than 5000.
