

## 21<sup>st</sup> World Scout Jamboree – Theme Song

### Jambo - Lyrics

### JAMBO

You've got to try just a little, to make a better day  
You've got to try just a little, and your hope will find a way  
You've got to work just a little, to find the friend in you  
And if you hurt just a little, maybe a friend will help you too

Face your doubt with unity, all the colours that you bring  
Live each day in harmony, come and sing it

**Jambo-Hello, It's a World Scout Jamboree**  
**A hundred years to date, let's all celebrate**  
**Jambo-Hello, join together always be**  
**One world-One Promise**  
**One world-One Promise**

Why don't we help one another, that's what we're here to do  
There's so much to learn from each other, to do the best that you can do.  
Why don't we all work together, it's a better way to live  
And if we look to the future, we'll have so much more to give

Join the fun, here in the sun, it's our centenary  
Everyone, sing along, let the whole world hear us

**Jambo-Hello, It's a World Scout Jamboree**  
**A hundred years to date, let's all celebrate**  
**Jambo-Hello, join together always be**  
**One world-One Promise**  
**One world-One Promise**

Join-together, work-together, sing-together, (we will walk hand in.. )  
We'll have fun-together, friends forever, to make the world as one

**Jambo-Hello, It's a World Scout Jamboree**  
**A hundred years to date, let's all celebrate**  
**Jambo-Hello, join together always be**  
**One world-One Promise**  
**One world-One Promise**
